

## Bran & Ash CSB Subscription

**Services:** Each box will contain one loaf of our fresh, sourdough bread along with other sweet and savory pastries (check newsletter for what's on offer that week!). If you would like to add anything extra to your box, you can purchase it directly through the website or let us know through email. Currently, the CSB box is available for weekly or biweekly ordering. If you select the weekly box, you will receive a discount on total box price. Currently, our CSB box is only offered for local delivery in Davis, Woodland & Winters or pickup at our Davis cottage bakery (1406 L St. Davis CA 95616).

**Cancellation Policy:** You are able to cancel your subscription anytime by simply sending an email to [branandashbakehouse@gmail.com](mailto:branandashbakehouse@gmail.com). If you do not want to cancel, but need to pause your subscription or take a week off, notify us at this same email. You must cancel/pause before Thursday to not receive that week's box. If you cancel/pause later than that, you will receive your last box that Sunday.

**Privacy Policy:** Your information will be kept completely confidential. Your credit card information will be entered into our Square account once and encrypted. We will be able to continue to charge your profile, but not see this information. Your document will then be shredded. If you are uncomfortable putting this information in print, please email us to set up a call.
